Dear John:

How can we thank you enough for your incredible involvement in this year's MY DOG LOVES CENTRAL PARK COUNTRY FAIR?! Both your financial support and the enthusiasm of the great team on Fair day were a crucial part in making the Fair the success that it was. From early planning days to the post-Fair dog tags, you all made everything work so smoothly. David and Lauren were spectacular, as were the superbly professional people they brought with them.

We estimate that more than 7,500 New Yorkers and their dogs celebrated Central Park's wonderful dog community. We missed you but Biscuits & Bath had a great presence at the Fair.

Your contribution will be acknowledged on the PAWS Web site (www.centralparkpaws.org) as well as in the Central Barker newsletter. And we look forward to many more collaborations in the future, John.

Again, thank you so much for your support.

All the best,

Susan Buckley
President, Central Park PAWS
